

To have friends
and a social life

To
communicate
what I think

To ask for what I
want, whom I
want and where to
go

To make my
own choices

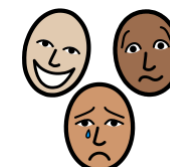

To ask for and
give
information

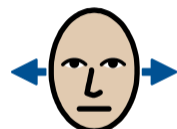

To have my
communication system
and be supported by
people who know how to
use it

I have the right...

To communicate
how I feel

To say 'no'

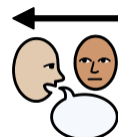

To ask questions and
be answered, even if I
cannot have what I
want

To be treated with
respect and dignity

To be part of
my community

To be talked TO
and not ABOUT

To be communicated
with in a way I
understand

To be taught to
communicate
